Dear Parents / Carers

On Thursday 21st November, we will be holding our annual careers fair. The purpose of the event is to enable students to explore ideas of what subjects to study, careers to pursue, make connections with businesses and gain a further understanding of what educational pathways and employment opportunities may be available to them. The event will be attended by Years 8-11 during the school day, and Year 7 will have the opportunity to attend after school, with other members of the wider Middlewich community.

In order for students to have the best opportunity possible to interact with a wide variety of businesses and organisations, we would like to extend an invitation to any parents and carers with connections to companies or education providers who would like to have a stand at our fair to talk to students about the work that they do. Lunch will be provided for all participants.

If you would like to take part in our fair or have any further questions, please contact careers@mhs.school and we will be happy to provide you with more information.

We are looking forward to what hopes to be a fantastic event at Middlewich.

Yours faithfully
